**Re: In the Matter of Petition of USTelecom for Forbearance Pursuant to
47 U.S.C. Section 160(c); WC Docket No. 18-141; Category 1**

Dear FCC,

I am a consumer who switched from AT&T to a much faster and less expensive provider who provides fiber optic connection to the internet and phone. Local broadband providers are critical to consumers of internet and phone services. Save local competition and the bridge to broadband.
Thanks.
